

Reasons to make a Will

These are just some of the reasons why you should make a Will. You will be able to:

- make your intentions clear
- choose someone that you trust to administer your estate
- appoint guardians for your children if they are minors
- choose the age a child may inherit
- leave gifts to friends, family or charities
- mitigate any Inheritance Tax liability
- incorporate trusts to protect assets for vulnerable beneficiaries
- deal specifically with your business assets
- make your funeral wishes clear

We can help provide efficient, practical and friendly assistance in helping you to put your wishes in place.
